

MEET ME AT THE LEE

The newly renovated Drive House is beautiful, yet functional. The artifacts are displayed on the walls with charm and imagination; the antiques in the display cases will take you back 100 years. We need every branch members' moral and financial support.

Don't forget the Foundation Fund. \$100,000.00 by 1980.

The Committee invites every branch to donate to the fund. Upon completion, the interest from the fund will be used to carry the day to day operating expenses.
