

Come on over to the Lee

Pictured above is the new verandah on the Erland Lee Home, replica of the original. The front doors also were restored to their original style.

It is hoped that the Branch members throughout Ontario will make a real effort to visit the Erland Lee (Museum) Home this year. Even if you were there last year changes are always taking place and there is plenty to see.

In keeping with the era of the Home, we will be making a start on landscaping the grounds in 1979.

The Home is open every month except February, 10.00 AM-3.00 PM. All Branch Secretaries received an application form. If you plan a bus trip, or more than a car load, fill in the form and return to Mrs. Victor Beachin, Erland Lee Home, R.R.1, Ridge Road, Stoney Creek, L8G 3X4, or telephone 416-662-2691, for an appointment. Drop-ins are welcome.

SPECIAL ACTIVITIES

There will be a **special day** for all Trent Valley members who will be dropping in on April 19 from 10.00 AM to 5.00 PM to visit and have a cup of tea.

The members will be donating articles made from a yard of material; a hank of yarn; or a ball of cotton.

These articles from Trent Valley will be on sale during **Ontario Women's Institute Week, June 4 to 8th, 9.30-4.00 PM**. Proceeds from the sale of articles will be credited to Trent Valley Area toward the Foundation Fund.

FOUNDATION FUND

You recall we set aside 1978-1980 in which to build our Foundation Fund up to \$100,000.00. This will be accomplished only through the generosity of individual donations or Branch District or Area contributions. If an individual cash donation is received you will receive a charitable donation receipt recognized for income tax purposes.

We are pleased with your response but we still have a long way to go. The interest from the Foundation Fund will then hopefully carry the day to day operational costs.

You will be hearing more about a special day on December 6, **CHRISTMAS AT THE LEE**. The Home will feature 18th century decorations and a display of authentic antique toys.
