

**GUTHRIE WI, SIMCOE KEMPENFELDT DISTRICT,** life members attended the 65th anniversary celebration.

The members of the Maple Grove WI, Brant South District, soon hope to have the Maple Grove School bell in place. This has been an on-going project of the members for quite some time.

Aside from this venture they have an annual auction sale and other functions which raise money for the Widow's Home, Brantford; 4H Club projects and local charities.
