SIMCOE AREA QUILTS

Each branch member in the Area paid 50¢ to have her name on the quilt block. The Simcoe Area treasury became richer by \$918.00 after all expenses were paid. It took a great deal of organizing and plenty of work but everyone agreed it was worth it.

In the centre of each block, the name of the Branch is embroidered with blue floss. To form the spoke of the wheel, the names of the members are embroidered.

The quilts are now housed at the Midhurst Museum and are available to all branches at any time.

Some of the members who worked on the quilts from SIMCOE AREA are L-R, front row, Jean Cameron, Isabel Doan, Sadie Dyer. Back row L-R, Clara Smith, Edith Sheardown, Mary Bertram, Eva Tuck, Bernice Giffon, Lillian Dobson, Adelaide Lougheed, Belle Graham, Hazel Thompson, and Mabel Rennick. Seen peeking out between quilts, is Georgia Pottage.
