YORK ROAD WI, NORTHUMBERLAND EAST DISTRICT members presented Life Memberships to sisters, L-r Mrs. Annie MacDonald and Mrs. Margaret Whitehouse.

BARRIER FREE COMMUNITIES

I. Y. D. P.

Last year was the "International Year of the Disabled Persons." Women's Institutes set out with a project and an objective, in keeping with the special year.

One objective was, for each Branch to survey their community, as to the needs for improvement, to make life easier, so handicapped could live a more normal life in that community.

We have already heard about the many projects of Branches and Districts in which WI's were involved during the year. However, there were many more not reported. In order to present a true picture of the accomplishments, it is necessary to take a further step.

Board Directors will have sent out questionnaires in their Subdivisions to all the Branches and have asked for their return. Each Board Director will summarize the results and mail to Mrs. Arnold Wilson by April 1, 1982.

Mrs. Wilson, FWIO Board Director, will present the results of all the efforts of the WI's throughout the Province at the Semi-Annual meeting, the end of April.

Don't be the weak link!

LUCKNOW WI, BRUCE SOUTH DISTRICT donated a child's walker to the Silver Circle School, Wingham, as a project for the Year of the Disabled. President, Mrs. Grace Gibson is shown with several of the children.

NOBLETON WI, YORK CENTRE DISTRICT have held a variety of meetings recently, including entertainment by the Toronto Slovanic Dance Group and the local Sweet Adelines. Promoting further understanding for the IYDP's, a young lady along with her seeing-eye dog told of her experiences while attending school in preparation for she and her dog, as they learn to live together on a daily basis.
