

### Spring Fair for the Community

The **ASHGROVE W.I., HALTON DISTRICT**, arranged an occasion to meet their roadside neighbors at their Spring Fair. This was a special project of President, Mrs. G. Treviranus, who wanted the guests to experience what the Women's Institute is able to do for them.

Name tags made visiting pleasant, and the chance to enjoy muffins and tea in the hospitality corner gave the visitors an opportunity to pause and relect on the exhibits and activities they had seen. Some W.I. members were quilting, and some were in charge of booths portraying the background of W.I. and 4-H. Emphasis was also placed on the value of Tweedsmuir Histories. Displays promoting adult and youth courses were quite evident.

In another area, members were demonstrating their hobbies, while others were manning the booths of crafts and baking.

It was an exciting and rewarding event, from which the members hope they may attract some future members for Ashgrove W.I.

**ASHGROVE W.I. HALTON DISTRICT** members, pose at the W.I. promotional display, L-r, Mrs. G. Treviranus, President, and Citizenship and World Affairs Conveners, Mrs. F. Nurse and Mrs. W. J. Knapp.

### FOUNDATION FUND

**LANGTON BRANCH, NORFOLK SOUTH DISTRICT** have contributed \$500.00 to the Foundation Capitol Fund for the Adelaide Hunter Hoodless Homestead. Funds were raised by catering to the local Lion's Club dinner meetings twice a month.

### PENNIES FOR FRIENDSHIP

**MOUNTAIN VIEW WI, PRINCE EDWARD COUNTY** held a Spring Fashion Show in the local auditorium with local members acting as models.

From the proceeds, \$500.00 was sent to ACWW for Pennies For Friendship.

Some years ago it was decided that we could not report anniversary celebrations. These are of interest mainly in the local Branch where the participants are known; and of course PRO's will see they get into the local papers.

But we still receive a considerable number of brief reports of anniversary parties, at least enough to fill the magazine.

So no more reports of anniversaries, please. There are so many interesting activities and projects at Branch level to report. If you however, have an interesting picture of any activity at your anniversary which you feel would be good to share, this is acceptable, but cutting an anniversary cake is really very important for your own Tweedsmuir History Book and local paper only.

Send along the news of the results of projects and programs that could become a sharing situation for all.

**NORTH YARMOUTH WI, ELGIN EAST DISTRICT**, held a Tea celebrating their 50th Anniversary with six Charter members present. L-r seated, President, Mrs. Myrtle Soper and Mrs. Minnie Williams, standing, Mrs. Kathleen Heydon and Mrs. Marguerite Evans are seen cutting cake; Mrs. Pearl Flowers, Mrs. Hazel Jacklin and Mrs. Grace Taylor admire the cake.

### AYLSWORTH BRANCH PRESERVES HISTORY

**AYLSWORTH WI, RAINY RIVER CENTRE DISTRICT** were successful in printing their Tweedsmuir History in book form, entitled "Vanishing Homesteads."

The first Curator was Mrs. Milton Fisher. Vanishing Homesteads will preserve the history of Aylsworth Township and its people.

The original step was to search in attics, look through albums and old newspaper clippings, research old maps for authenticity of the community's history over the last 100 years.

Through a great deal of hard work by members and the assistance of a grant, 500 copies of the book were published and have found their way into many homes outside the community, as well as into the libraries in the homes of Aylsworth Township.
