

# Happy Birthday WI!

The 90th anniversary of Women's Institutes in Ontario is here and the provincial convention in North Bay, which will be the highlight of the year's celebrations, is fast approaching. Included in this issue of **Home & Country** is a registration form and a workshop checklist which should be completed and returned with the registration. Please enclose payment with your registration and make your cheque payable to Ontario Women's Institute 90th Anniversary. More specific details regarding accommodation in North Bay were sent to your branch secretary — ask her about it.
