

1988 retiring FWIO Provincial Board Directors presented a gift of money in a loaf of bread to FWIO President, Margaret Munro, at their retirement party on April 27. Mrs. Munro presented the loaf in June to Dr. Ellen McLean for the "Loaf of Bread" ACWW Project. **Back Row (l to r):** Marg Greig (JWI); Margaret Munro, Dorothy Petch (holding loaf); Helen Burns, Marian Dougall, Elizabeth Thomas, Opha Trepanier, Mabel Logan: **(front)** Jean Tandberg, Doris Bell, Isabelle Booker.

MAPLE WI Maple WI branch was recently recognized by the Recreational Advisory Committee at an appreciation night for volunteer organizations. They were awarded a plaque, honouring them for 90 years of exceptional service to their community.

ASHGROVE WI The Resolutions convenors worked on two resolutions to improve their community. The first one was concerning the lack of facilities in the Georgetown and District Hospital to accommodate visitors in wheel chairs. Their letters were answered, and the situation corrected. The second one concerned an intersection within the community that was considered particularly hazardous. The mayor has advised the branch that extra warning signs are being erected and that consideration is being given to changing the right-of-way from east-west to north-south in line with current traffic patterns.

Will your Fundraising Project Get Off the Ground?

Planning Pointers

- Will people donate because:
 - they want to help your organization?
 - they want to help your cause?
 - they would enjoy the event you're holding?
- How is your organization understood/accepted by the community?
- Do you have enough help to plan and carry out this activity?
- Are members in favour of the activity and its goal?
