## Quilt Competitions

Shirley Grubb's nimble fingers have won her \$1000 in the 13th Anniversary Canada Packers Quilt Competition, But after thirteen years, Canada Packers announced that they will no longer be sponsoring the annual event and formally transferred the collection and administration of the competition to the Ontario Agricultural Museum. The entire Quilt Collection will be on display during the Museum's 1991 season.

The Museum encourages the continuation of the quilt competition and invites entries at all local Ontario Fairs during 1991 for the 14th Annual Competition. If you are interested in participating, contact your local Agricultural Society for information.

The Hearth, Home & Hobbies - Ladies Program at the Wyoming Fairgrounds has organized a quilt show for August 2, 3 and 4, 1991. This show is a result of our Quilting Competition, part of the International Plowing Match 1991 in Lambton County. For information send a self-addressed stamped envelope to Lambton '91 IPM Quilt Co-ordinator, Box 28, Arkona, Ontario, N0M 1B0.

## "FWIO Branches Out"

Just a word about the FWIO "Trees" theme for 1991-1992. If each WI member were to plant a tree, we would have almost 20,000 new trees growing across Ontario. And if each Branch planted a tree, we would have 1000 more; each District would add another 100. If each Area planted one tree at the site of its Convention, that would be another 14, and the grand total of WI trees would reach 21,114!

So find a spot. Plant a tree. And make it a media event.
