GREETINGS FROM THE PROVINCIAL PRESIDENT, MRS. R. B. COLLETON, LORNE PARK

"It is very rough to be pleased
When the good things are going,
But the work is worth while,
When everything goes dead away"
I do take a lot of pleasure
In the work of my branch
And the work of my branch
And the work of my branch
And the work of my branch

Our News Bulletin

The publication of this initial copy of "Home and Country" has been made possible through the contributions of the Institutes throughout the province to the Provincial Federation. If the officers and members desire that several issues of this leaflet be furnished them from time to time throughout the year, it will be necessary for them to continue their contributions, and, so doing, the Institutes which have not supported the Federation from year to year will need to loan sufficient to cover the cost of the leaflet and the amount necessary to secure representation of your district at the Convention for your area.

Words of Encouragement From the Superintendent

The Women's Institutes are to be congratulated on the development of an organization which has produced a leaflet for you.

WOMEN'S INSTITUTES CELEBRATE 50TH ANNIVERSARY

Great Gathering of 12,000 Institute Members Assembled at Guelph, Pay Tribute to Pioneers of 1897

CROWD OF 12,000 VISITORS GATHERED AT GUELPH FOR THE 50TH ANNIVERSARY CELEBRATION.

It was a most successful and well-attended affair, and the women of the province gathered in Guelph to celebrate the 50th anniversary of the Women's Institutes of Ontario, which was founded in 1897. The celebration was held at the Guelph Convention Centre, and was attended by 12,000 women from all over the province. The program included a variety of activities, including a concert, a play, and a display of exhibits. The women also participated in a number of social events, including a luncheon and a dance. The celebration was a great success, and it was a wonderful opportunity for the women to come together and celebrate their shared history.

Mr. Thomas L. Kennedy, Minister of Agriculture, presided at the opening of the celebration. He spoke of the importance of the Women's Institutes in the development of the province. He said that the Institutes had done much to improve the lives of women and to contribute to the progress of the province. He also spoke of the need for the Institutes to continue their work in the future.
