

ABOVE: Gearing up for their big day are Grand Bend WI Members (L-R) Barb Kilback, Deb Page, Elaine Wardle, Marg Desjardine, Marcia Mylan, Marcia Morton, and Donna Lovie.

Grand Bend WI

It was a day of wellness, friendship, inspiration, and shopping when Grand Bend WI (London Area) hosted their 2nd annual "Spring Awakening Day." The 130 participants of this sold-out event learned about beauty and skin care for spring and summer; gentle Tai Chi movements to improve balance and flexibility; and tips and trends for container planting from a local nursery. Motivational speaker Eleanor Woods, and Jean Clark from Sarnia Organ Donor Awareness Group were among the guest speakers at this very successful ROSE Session.

Southwestern Area

Southwestern Area WI Members and the Michigan Association of Family and Community Education (MAFCE) held their annual exchange in Port Huron in May. Eight WI Members from Ontario attended the South East District Conference of MAFCE and enjoyed a day of educational programming and the opportunity to connect with other women.

ABOVE: Seated (L-R) are Pat Atkinson (Wayne County President), Doris Ward (Wayne County), Mary Janes (Ontario), Margot Benson (Washtenaw County). Standing: Kathleen Fleck (State President), and Betty Goldammer.

Selwyn WI

The Members of Selwyn WI (Trent Valley Area) have been busy hosting ROSE Sessions in their community! Some of their topics have included "Electro Magnetic Sensitivity," presented by a professor from Trent University; new affordable housing for seniors in their community; and, most recently, "Sheep Farming." WI Members and the public learned about the expanding industry of sheep farming.
