

EXCELLENCE IN AGRICULTURE AWARD

Women right across our province are contributing to Excellence in Agriculture at the Royal Winter Fair, and we want to hear about them. Over the years we have learned about amazing women who have gone above and beyond the call of duty to make the Royal a success. They've balanced their families, their jobs, their homes and still managed to find time to volunteer their time and skills – and it's their time to be recognized. If you know a deserving woman who has made a contribution to excellence in agriculture at the Royal, nominate them to be considered for this prestigious award. The award is open to all women currently or previously involved in agriculture in the fair. Your nomination package must include the following:

- A typed profile (max. 500 words) describing the work of the nominee and their volunteer activities while involved in the fair.
- Three letters of recommendation (including contact information) nominating the woman.
- Contact information for the nominee.

The closing date for submissions is September 15, 2010. The winner will be selected by an appointed committee and the winner will be notified by September 30, 2010.
