

# Get Involved

Above: Patriotism was in full bloom as Jane Sherk provided an interesting and informative presentation.

## Maple Grove WI

Maple Grove WI (Guelph Area) hosted a **ROSE Session** on the people behind an Olympian – their families. For many parents, making arrangements to attend the Olympics can be a difficult task. That is where Jane Sherk of Waterloo has stepped in. With Jane's help, parents of Olympic athletes can travel together, have the same accommodations, and feel united as they cheer on their children.

In special attendance at this meeting was Life Member, Dorothy Smith, whose granddaughter, Becky Kellar, was a member of the Canadian Women's Olympic Ice Hockey Team that won gold in 2002, 2006 and 2010. Becky's mother, Shirley, shared stories, photos and memorabilia of her daughter's Olympic experiences. Facing a huge Canadian flag, Maple Grove WI Members felt especially proud when they sang O Canada to conclude their meeting.

Above: Adalinda is pictured with several items available from "The Wig Room." As a hairdresser, she can assist you in finding an appropriate wig or head accessory.

## Purple Grove WI

Purple Grove WI (Grey-Bruce Area) hosted a **ROSE Session** to learn about a mission for cancer care. Four ladies started a mission to provide free hats, wigs and accessories for men, women and children in their community who have lost their hair due to cancer – and now this is a mission for all of Southwestern Ontario. Over 30 individuals participated in this ROSE Session, and a collection enabled the Branch to donate \$50 to the mission. "The Wig Room" operates out of Knox Presbyterian Church in Stratford and those wishing to make an appointment may call 519-271-0373.

## Grand Bend WI

At their January meeting, Members of Grand Bend WI (London Area) made tea biscuits, scones and easy cinnamon rolls. These biscuits were baked and served for lunch. It was a very interesting project. The roll call was to bring in your favourite kitchen tool...no husbands. Antique and unique articles were also displayed.

Pictured (L-R): Marg Love, Elaine Wardle and Glenna Olcen making tea biscuits.
