

Lennox & Addington District

When Victoria II WI Member, Bonnie Magilton initiated the Adopt-a-Highway Project, four Branches in Lennox & Addington District (Kingston Area) stepped up to the challenge! Victoria II WI, Amherst Island WI, Maple Ridge WI and Hay Bay WI have each adopted a 2km stretch of county road, and more Branches are coming on board! The Branches gather twice a year – in the spring and fall – to clean up the garbage along their stretch of highway. Beautiful signs have been erected by the county to indicate who looks after which section. Keep up the great work ladies!

Yarmouth Glen WI

Yarmouth Glen WI of Elgin District (London Area) was presented a volunteer service award as outstanding citizens in Central Elgin at a ceremony held in the Belmont Area. The 10 Member Branch compiled a total of 1,970 hours of volunteer service through working at an annual Daffodil Cancer Tea, preparation and participating in the Fetal Alcohol Spectrum Disorder Awareness Day, attendance at the FWIO Provincial Conference in Waterloo, and providing food services at the International Plowing Match. The Branch also looks after the upkeep of the local Kilmartin Cemetery.

Norfolk District

Members of Norfolk District (Hamilton Area) recently gathered together for a short course. In the morning, a WI Member showed the group how to make their own earrings, while the afternoon was spent making granny squares. Norfolk District has continued with various short courses for the past 30 years, and Members thoroughly enjoy attending them. They plan to put the granny squares together to make afghans and lap robes for local nursing homes.

Navan WI

CTV reporter, Karen Soloman, presented the **United Way Community Builders Award** for 2010 to Linda Dunn, President of Navan WI (Eastern Area). The Branch, located in Russell District, also saw its name on the Wall of Honour in February 2011, at Ottawa City Hall. Congratulations to the women who have served for 80 years as Members of Navan WI!
