

Warwick WI

Following a soup and crackers luncheon, Warwick Fire Chief Brad Goodhill spoke to 28 WI Members and guests at a ROSE Session about fire safety and the plans for a new Community Centre in Warwick Village. He showed two videos - one on the importance of having a carbon monoxide detector in your home, and the second on how quickly a fire spreads, leaving very little time (maximum 3-4 minutes with smoke alarms on each level of the home) for occupants of a home to escape. Fire and building codes now require a smoke alarm on each level; otherwise, there is a \$270 fine.

Plans for a new Community Hall to replace the current hall which no longer meets building code requirements are well under way, with fundraising efforts being planned. Approximately 1/4 of the needed funds have already been raised.

Motherwell WI

Motherwell WI (London Area) held a ROSE workshop in Motherwell Avonbank Presbyterian Church Hall. The topic was Christmas centrepieces constructed from a box. Demonstrator for the evening was Sarah Nairn.

Navan WI

On February 17, 2013 at St. Mary's Hall, Navan, Leonard, and Cumberland WI Branches (Eastern Area) gathered to celebrate the 116th Anniversary of Women's Institute. It was a delightful afternoon spent with friends from the 3 Branches.
