

## Communication from the Provincial Office

### **FWIO E-Blast**

The E-Blast is sent out once a month to the Branch President or alternate Contact Person (if the Branch President does not have email). The E-Blast is intended to provide news, updates and upcoming deadline reminders and this information should be shared with Members at Branch Meetings. Initially, all but 6 Branches were able to provide an email address for our listing. To those who have clicked "unsubscribe": your Branch no longer receives updates from the Provincial Office. Currently, 60-67% of contacts are viewing the FWIO E-Blast and ROSE E-News. Contact [fwio@fwio.on.ca](mailto:fwio@fwio.on.ca) to add or verify your Branch's email contact.

### **ROSE E-News**

The ROSE E-News Update is also sent out once a month to the Branch President/alternate Contact Person, as well as to the Branch ROSE Coordinator. If your Branch ROSE Coordinator would like to be added to the list, please contact [roseprogram@fwio.on.ca](mailto:roseprogram@fwio.on.ca). The ROSE E-News is meant to provide ideas and resources to help with the planning of your ROSE Sessions.

### **Question:**

I want to read FWIO and ROSE updates, but I am not my Branch's email contact or a ROSE Coordinator?

### **Answer:**

This news is for all Members, which is why it is also made available on the FWIO website. You will find links to both the online version as well as a PDF version which is created especially for Branches who wish to print hard copies.
