

Majestic WI

Majestic WI (Huron Perth District, Guelph Area) held a "Mystery Tour" ROSE Session - and it sure was fun! The first stop was Sweets N' Treats in Wingham, Ontario where owner Debbie Busby gave a tour of her store and work room. She demonstrated dipping liquorice, carrots, strawberries, pretzels and cookies in chocolate. Each person filled a mould with chocolate and, when hardened, decorated it with coloured chocolate to take home. After lunch, participants visited Necessi-Tea's, also in Wingham, where they learned that the shop sells over 100 varieties of tea. Who knew there could be so many? The day concluded with a tour of Maitland Manor Nursery and Landscaping.
