ROSE Challenge 2010 Winners

Thank you to everyone who participated in ROSE Challenge 2010! We received many outstanding ROSE Program Report Forms outlining a variety of interesting ROSE Sessions that you have been hosting in your communities!

We have noticed many creative ways that you have been incorporating the ROSE Program into your meetings and other events. For instance, several Branches have turned their anniversary celebrations into ROSE Sessions simply by inviting guests to attend and having an educational theme. See page 9 to read about Chapman WI's etiquette-themed anniversary/ROSE Session!

Now, without further ado, we present to you the winners of **ROSE Challenge 2010**:

GOLD – Codrington WI (Trent Valley Area)

Topic: "How's Your Hearing?" and "Yoga: Stretch it Out"

SILVER – Clyde & Scott's WI (Hamilton Area)

Topic: "Ovarian Cancer"

BRONZE – Navan WI (Eastern Area)

Topic: "Parkinson's Disease"

Congratulations to all of our winners! Each of these Branches will soon be receiving a special package in recognition of their accomplishment!

REMEMBER, there are only TWO requirements for a ROSE Session: that it is educational and that you invite non WI Members to attend!

Still not sure if you're participating in ROSE? Try remembering this simple rhyme:

"Learn something new, and bring a friend or two!"

Please continue to send in your ROSE Program Report Forms to the FWIO Provincial Office and stay tuned for updates on new ROSE contests and challenges!

If you have any questions about the ROSE Program, please feel free to contact us by email at roseprogram@fwio.on.ca or by phoning 519-836-3078.
