

## What international opportunities are there for FWIO Members?

The following have been described in previous *Home & Country ROSE Garden* issues.

- FWIO is supporting Grandmothers in Rwanda (March 1, 2007-March 1, 2008) through the Stephen Lewis Foundation's "Grandmothers to Grandmothers" campaign.

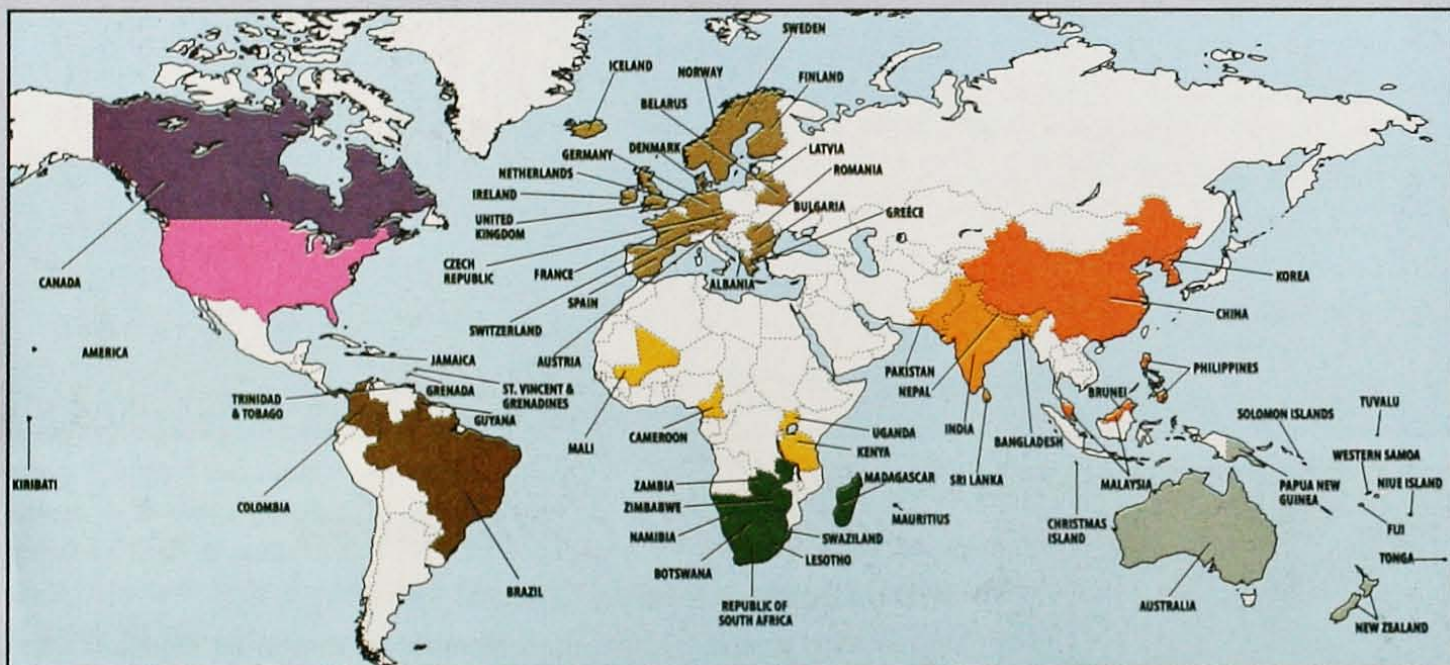

- The FWIO-Caribbean, Central and South America Area small crafts project will continue, as long as there is need and interest. FWIO Board Directors have the details. They have also been published in "The Connecting Link".
- Members may fundraise for ACWW projects in general, Water for All and/or Women Feed the World. (Brochures are available from ACWW on each of these.)
- There will be a Canada Area triennial project announced soon. The Tanzania one ended at the June 2007 ACWW Triennial Conference in Turku, Finland.

- Members may attend the 26th ACWW Triennial April 20 to 28, 2010 in Hot Springs, Arkansas, USA. They must be paying Members of ACWW. It is now possible to pay ACWW membership fees by credit card, using a form downloaded from the ACWW website [www.acww.org.uk](http://www.acww.org.uk)
- Members may participate in the Michigan and New York State exchange programs offered by FWIO. Applications are available at FWIO Provincial Office in Guelph.

*This column addresses concerns expressed in the recent Branch International Reports.*
