

Welcome to CAROL'S CORNER

Welcome to Carol's Corner. This is THE place to share ideas, programs and events that work (and those pesky things that don't)! Provincial Program Coordinator Carol Innes helps us share new ideas and topics for our Branches, Districts and Areas.

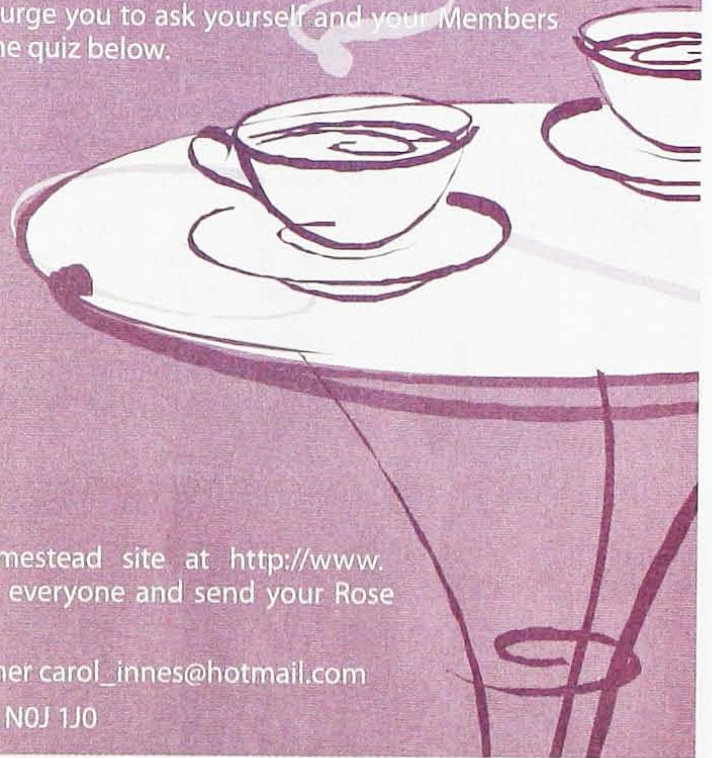

As we celebrate the 110th Birthday of Women's Institutes, I urge you to ask yourself and your Members – "How well do you know Addie?" Find out by completing the quiz below.

1. When is Addie's birthday?
2. Where did she live as a child?
3. Who did she marry?
4. What was his occupation?
5. How many children did Addie and her husband have?
6. What were their names?
7. What other organizations was Addie involved with?
8. What were her passions?
9. Why did she work with Erland and Janet Lee to start WI?
10. When did Addie die?

To bring Addie alive to your Branch, explore the Homestead site at <http://www.hoodlesshomestead.ca>. Put together such a session, invite everyone and send your Rose report to Patty. Have a great 110th celebration!!

Parading WI in front of the Community

The Grand Bend WI (London Area) reminded the community of "Old Town Hall" Meetings and promoted their Branch when they participated in the Grand Bend Winter Carnival Parade this past winter. With a float decorated in yellow and blue balloons, signs and a blue skirt on the wagon this WI Branch is sure to stand out in the community! Dedicated volunteers sat near the wood burning stove – that was actually working on the float – or huddled under hand made afghans to keep warm. Adelaide would have been proud of these ladies! This is the second year Grand Bend WI has participated in this parade – we look forward to seeing what they come up with for next year!
