ANSWERS TO QUIZ ON PG. 5

1. Addie was born on Feb. 27, 1857, the youngest of 12. She had 9 brothers and 2 sisters.
2. Her home was called The Willows located near St. George, On., and is now a historical site known as The Adelaide Hunter Hoodless Homestead.
3. She married John Hoodless in 1881. Addie had her doubts about marrying John because they were not of the same political party or of the same religion.
4. John was a furniture maker in Hamilton. The family lived in a house called Eastcourt that no longer exists. In that same location there is a retirement home named after Addie.
5. There were four children - two boys and two girls.
6. Edna Clarkson, Joseph Bernard, Muriel Adelaide, and John Harold. They were born in 1882, 1884, 1886 and 1888.
7. Addie helped to start the YWCA, VON, Macdonald Institute in Guelph, the National Council for Women. She wrote the first textbook for Domestic Science; introduced Domestic Science in the schools and also introduced technical and trade courses.
8. Addie played golf—she belonged to two golf clubs. She drove a car—much too fast. She felt strongly that girls needed more education.
9. Addie's youngest son, John died at the age of 18 mos. from drinking contaminated milk. Addie felt that women needed education to look after their homes and their families.
10. Addie died in Toronto while speaking at a meeting on the eve of her 53rd birthday - 1910.
