

## Osprey WI, Grey County District

Gretha Holmes from Osprey WI sent us a picture of the WI Tree her grandchildren created. Wesley, 12 and Nikita Rose, 8 created the tree which includes every Branch of WI that has ever been in Grey County. It also lists the date the Branches were formed and unfortunately the date that some of the Branches disbanded. Shown in the picture, Irene McConnell presents the award to 4-H scholarship winner Leah Taylor in front of the WI Tree.

### Good Idea!

Create your own WI Tree! What a fun way to show potential Members where current Branches are. It's also an interesting item to include in historical displays or promotional events. This is a great project to celebrate WI's 110th Birthday! Don't forget to send us pictures of your WI Tree!

## Camilla WI

For many years, the talented Members of Camilla WI have made and raffled off a beautiful quilt entitled "Stairway to the Stars". Proceeds from the raffle go to a number of local charities. Pictured here is Betty Sanderson working on the quilt.

## Waterloo District WI
