

Welcome to CAROL'S CORNER

This is THE spot to share ideas, programs and events that work (and those pesky things that don't)! By sharing we will all gain new ideas and topics for our Branches, Districts and Areas. Don't forget to visit Carol's Corner on WI Chit Chat too – for instant access to fun, exciting ideas!

Last February, Brooksdale WI celebrated Adelaide's birthday by going to a "High Tea". We dressed the part and had a great time!

Maple Leaf WI, Huron Perth District

Maple Leaf WI participated in an "Easy Sewing Project" lead by Darlene Harding. Participants didn't leave empty-handed – everyone got to make and take their own small bag. The bags are perfect to fill with scrap fabric and keep beside sewing machines or armchairs. What a great ROSE session!

**Good
Idea!**

Christmas Books will be available at Area Conventions! What a neat stocking stuffer or Christmas gift for friends and family!
