Mary Goodhill, Frances O'Neil and Doris Tanton make gift cards and small photo albums, using techniques from a scrapbooking workshop led by Lisa Bastiaansen at a recent WI meeting.

Elm Grove WI, Perth South District

Some of the Elm Grove WI Members proudly pose in front of their barn theme quilt which received a 2nd prize in the Group Entry category of the International Ploughing Match in Listowel. Members were each given a square to work on and spent many more hours quilting. Jane Reid generously donated materials, expertise and many hours in her living room; which resulted in a work of art the entire Branch can be proud of. Once complete, the quilt was auctioned off.
