

Silverwood WI, Wellington-Halton District

Recently Silverwood WI welcomed three new members to their Branch, Cecilia Thorpe, Stephanie Janiec and Heather McKinnon. At sixteen years old, Stephanie and Heather are Silverwood WI's youngest Members. The monthly meetings are held in rotation at Members' homes and Stephanie's interest in WI was piqued when she observed a meeting hosted in her own home by her mother. Heather is a fourth generation WI Member who attended her first WI Meeting at the age of two and a half. More recently it was the painting workshop and craft activities that convinced Heather WI has much to offer.

Silverwood WI spans all ages and backgrounds. Some members have deep roots in the community like President Beryl Beeney, whereas other members are newcomers not only to this area but also to Canada.

Newington Cedar Brae WI, Stormont District

The Newington Cedar Brae WI recently met to fondly remember their activities of the past year and to plan the program for the coming year. When the hostess Donna Loewan suggested Members come in their pyjama's, some wondered if she meant it! In the end, all came in their nightly attire!
