## WI for MRI - Tara WI

Tara WI invited Allenford, Burgoyne and Mount Hope WI to take part in a Quilting-Bee to complete a quilt to be auctioned off to raise funds for Grey-Bruce Regional Health Services in Owen Sound. Members were so excited about the project they ended up with the quilt, a quilt stand and a beautiful afghan to be auctioned off at the "Festival of Crafts" in Tara. In eight months, WI Members sold tickets in their community and raised \$1,500 to be donated back to their MRI fund. Congratulations on a job well done!
