

MESSAGE FROM

PROGRAM MANAGER PATTY STOKES

Thank you for a warm welcome into the FWIO family! Although I have only been here a short time, I have already met many wonderful women and learned a great deal about what an amazing organization this is.

I am excited to share your ROSE experiences and to continue to grow the program with enthusiasm and creativity. Sharing a common goal and working toward it with a group of committed people is something that motivates me.

I want to hear from you! Please phone, write or email anytime with your concerns, questions, ideas or good news!

Sincerely,

Patty

Sandford WI

A recent auction by Sandford WI Member Annabel Jones was one of the last in Scott Township to feature horse drawn equipment including a bob sleigh and walking plow. Janet Smith, Evelyn Cox, Luella Lewis and Dorothy Risebrough enjoyed the day.

Rosedene WI

Thanks to great community support at their homemade pie sale, the Rosedene WI were able to give a generous donation to the Silverdale Hall Fund. Pictured here are Ken and Carol Haines receiving a cheque from Rosedene WI Secretary Cheryl Gordon and WI Member Carol Frere.

Good Idea!

"We are all citizens of the world, learn about it". Hold an International ROSE Session about Finland where the next ACWW Conference will be held in June 2007. The triennium project in Tanzania would be a great topic to explore with your members and community. Visit www.acww.org.uk for more information.
