## Listen to the Whispers!

In late November 2002, North Renfrew District Women's Institute held two health workshops on ovarian cancer. The workshops were held in conjunction with the ROSE Program and in memory of Eileen Sicoli, a respected and loved Director of Pastoral Care at Marianhill, a long-term care facility in Pembroke. The workshops entitled "Listen to the Whispers" spanned the District; one being held in Pembroke and the other in Cobden. Both were organized and chaired by the District's Education Coordinator Tamara Lafrance (right), shown with District PRO Vicky Duffey (left).
