Walking the LaFarge Trail

Strabane WI members Gladys McCullum and Anne Smith along with local resident Irene Mann have started a walking group in the community to get people motivated to get out and walk the LaFarge Trail. The group walks every Saturday morning at 9:00 a.m. They are looking for more walkers, so give Gladys a call at 905-659-7275.

Raising Funds Can Be Fun!

Raising funds does not have to be a daunting challenge if you have a great idea and a talented committee. Thanks to committee members Dorelene Anderson, Cindy Rabstein, Pauline Weiland, Helen Duffield, Leone Foerter, Barb Pinkney, Glenna Smith and many others for a successful fundraising event that netted \$5,765. About 350 Guelph Area WI members along with their husbands and friends enjoyed a good time with food, music and talented singers and dancers. Everyone enjoyed the music of The Saints,

The Knox Notes and Arkell WI member Betty Jefferson.

Betty, who was also the auctioneer for the evening, blew the moths out of many purses as the audience bid on everything from homemade afghans to scrumptious baking. Country fair, prize-winning pies made by Isobel Rankel from the Puslinch WI sold for \$35 each. The Guelph Area WI is committed to supporting a variety of projects with their fundraising efforts, including the Erland Lee Museum Home, the Adelaide Hunter Hoodless Homestead, local educational workshops and the ACWW Canadian Triennial Project in Kenya.

Submitted by Edith Eady, PRO, Guelph Area WI.

Letters

Dear Editor:

I would like to thank everyone who came "Forth to the North" for the 2002 FWIO Provincial Conference. It was a good Conference. Everyone seemed to enjoy their workshops, the speakers and the entertainment. To those who were unable to attend, you missed a most enjoyable time of fellowship, fun and learning.

I am wondering though, if anyone happened to see a Pudding Stone Rock go "rolling off." When we were packing up, we realized one of the Rocks had decided to go visiting. If anyone knows of the Rock's whereabouts, would you please see if you could get it to roll on home. It is sadly missed by its' family. Or if you could get it to the FWIO Provincial Office, they would see that it gets the rest of the way home.

Thanks for any help!

Provincial Conference 2002 Planning Committee
