Focus High for WI

Provincial Advisory Councillor (PAC) Cecilia Maines from Subdivision 5 was excited to present an idea she has developed for a fundraising project for the Women's Institute. Cecilia remarked that this project would be a great opportunity for all members across the province "to work together at the grassroots level," and the accumulation of all Branch fundraising efforts would be amazing!

Voting delegates at the Annual Meeting approved the three-year fundraising proposal at the FWIO Annual Meeting on January 16. Delegates dubbed the project "Focus High for WI!"
