Vinemount WI Unveils Memorial Plaque

Members of the Vinemount WI undertook a project to have a dusk to dawn light installed in the rear parking lot of the Erland Lee (Museum) Home in memory of Hilda Beachin, former Curator of the Home. Donations for the project were augmented by the Wentworth District, by other WI Branches and by individuals who had known Hilda for many years. A memorial plaque was placed at the base of the light. Ralph Beachin, son of the late Hilda Beachin, and his wife Doris, are shown at the plaque unveiling last fall with Vinemount WI members Joan McLean, Project Coordinator, and Peg Andrew, Branch President (from left to right).

Signs of the Times

Prince Edward District wanted to increase the visibility of the WI in the county. As part of this initiative, a sign was placed at each of the four entrances to Prince Edward County, with the distinctive WI logo. Other fraternal organizations and service clubs heard of the plan and sought to join the WI. The results of this cooperative effort are visible at the Loyalist Parkway entrance. Pictured beneath the sign from left to right are Prince Edward District officers Joyce Brown - PRO, Margaret Vandervele - Past Secretary-Treasurer and Evelyn Peck - President.
