### Correction

Please note that Marion Egerter, the writer of the article on the front cover of the Fall 2000 edition of the *Home & Country*, is the PRO for the Niagara District, not the Lincoln District as stated in the caption. At the request of FWIO President Christine Reaburn, Marion Egerter successfully carried out the search for the historic Peace Bridge plaque. Marion is commended for the time and effort she spent solving this mystery.

## "A Grandmother's Legacy" Book Now Available

Over a hundred stories submitted to FWIO under the title of "Grandmother's Legacies" have been collected together to form the basis of a book called *From This Place*. Over half of the Ontario WI Branches participated in this International Year of the Older Persons project.

The title of the book – *From This Place* – is taken from the legacy submitted by Grace Arnold. Grace sums up what this book is all about. Her account evokes images of the changes, and the constants, in people and places. The legacies in the pages that follow do likewise as other women chronicle their lives. Period photos and graphics enhance the stories.
