

Cooper Remington WI Hold Quilt Draw

Last year, when the Cooper Remington Women's Institute learned that the Madoc Township Fire Department was in need of a defibrillator, they set to work. Members decided to hold a quilt draw. The women involved spent 286 hours making this Bear's Paw Quilt. Member Ruth Holmes presented the \$1500 in proceeds to Fire Chief Darren Morrison. The winner of the beautiful quilt was Verna Thompson of Stirling.

Food Frustration

The pages of my favourite magazine
suggest I have very dull cuisine.
But chicken fetas might not seem inspired,
since I don't have the tortillas
required.

This cranberry-lemon punch would
taste divine,
if I only had Rosé or blush wine.

Now here's a cheesecake I could make,
for sure,
but not without a bit of orange liqueur.

I might as well be living in a ghetto,
as try to make dessert sans Amaretto!

Even my coffee wouldn't do at all,
Because I have no alcohol.

I guess I'll just forget this gourmet stuff,
And hope my old ways do well enough.
