

Filling a Need with Apple Pies

By Gail Hayes

Members of the Harvie Settlement Branch in the Simcoe East District presented the Oncology Department at the Orillia Soldiers' Memorial Hospital with an infusion pain pump. The \$4,000 needed to purchase the pump was raised through the sale of apple pies.

For two days each November for the past four years, members gathered at a local church and made 400 apple pies. All the members participated with great enthusiasm: there were the apple peelers and cutters; the pastry-makers; the pastry-fitters; those who filled the pies and "put the lids on;" those who pinched the edges; and, those who bagged the pies. Others looked after coffee breaks and, of course, there were those in charge of quality control and sampling.

This venture proved to be a morale booster for this Branch. So it was with great pride that the eighteen members saw their efforts rewarded in the donation of the infusion pump to their community.

Gail Hayes is the Public Relations Officer for the Harvie Settlement Women's Institute.

Harvie Settlement Women's Institute members presented a \$4,000 cheque to the Orillia Soldiers' Memorial Hospital (OSMH) for the purchase of a pain infusion pump. Pictured above from left to right are Helen Lawlor - Secretary-Treasurer, Harvie Settlement WI, Maureen Harris - Assistant CEO Pt. Services, OSMH, Betty Johnson - President, Harvie Settlement WI, and Ann Harris - Discharge Planner, OSMH.

Congratulations

Keep on Shining!

The Sunshine Women's Institute in Prescott District donated paint and time to spruce up the kitchen and dining hall at the Riceville Agricultural Society. Because they have served meals for the past ten years at this fair, the Branch chose it for their 1994 community project. Pictured above from left to right are Lila Howard, Leah Bradley, Rita Lalonde, Pauline Ryan, Pat Bradley, Ruth Proudfoot, Erin McBride, Georgette Surch, Marie Wilkes and Ruby Proudfoot.
