GREETINGS FROM THE PROVINCIAL PRESIDENT, MRS. R. B. COLLETON, LORNE PARK

Our News Bulletin
THE publication of this initial copy of "Home and Country", our news bulletin, is made possible through the contributions of the Institutes throughout the province in the Provincial Federation. If the editors and members desire that several issues of this bulletin be furnished them from time to time throughout the year, it will be necessary for them to continue their contributions, and, no doubt, the branches which have not supported the Federation from year to year will need at least sufficient to cover the cost of the bulletin and the amount necessary to insure representation of your district at the Convention for your year.

Words of Encouragement From the Superintendent
The Women's Institutes are to be congratulated on the development of an organization which has a purpose, a definite plan, and a program of work. It is the hope of the Superintendent that the Institutes will continue to grow and prosper, and that they will be able to do more for the women of the province.

WOMEN'S INSTITUTES CELEBRATE 50TH ANNIVERSARY

Great Gathering of 12,000 Institute Members Assembled at Guelph, Pay Tribute to Pioneers of 1897

It was a great day for the women of Ontario who had gathered in Guelph to celebrate the 50th anniversary of the Ontario Women's Institutes. The celebration was held at the Guelph Agricultural College, and was attended by 12,000 women from all over the province. The day was spent in a variety of ways, including a large dinner, a concert, and a parade. The women also paid tribute to the pioneers of 1897, who had founded the Institutes. The celebration was a great success, and it was a day to be remembered.
