

Down The Garden Path

Kerwood WI

Celebrates Spring

Kerwood WI (Middlesex Northwest District) hosted a successful Spring Fling in May attended by local women as well as several WI Branches. Mary Ann Charlton from Strathroy displayed and discussed her many quilts that she has designed and made. Denise Johnson demonstrated how to make chocolates. A penny auction table and door prizes were well received by all attendees.

Yarmouth Glen WI

Marion McKenzie, president of Yarmouth Glen WI (Elgin County District), Ruth Davis and Pauline Lindsay display teddy bears at the Branch's Teddy Bear Coffee Break, held this past spring. Members from surrounding Branches and communities viewed Ruth's amazing display of over 560 stuffed teddies! The quilt, made by Pauline Lindsay, will be drawn for at the London Area Conference this fall and proceeds raised from the raffle will go to local WI projects.

Beamsville WI

The weather might have been threatening, but that didn't put a damper on Beamsville WI's Garden Party. As a special event before summer break, they invited the other two Branches in the Niagara District to attend as well. The ladies from Virgil and Community Builder joined Beamsville for a day of fanciest hat judging, memory game and guessing the flower. Lunch was served with fresh strawberry shortcake topped with whipped cream and tea for dessert. All had a great time and the rain held off.

Pictured are Margaret Strong from Virgil WI, Linda Fair from Community Builders WI and President Barbara Stone from Beamsville WI.

Scents Make Sense

Lyndeoch WI (Norfolk District) presented a ROSE Session on essential oils. Sylvia Petker, Registered Aroma Health Practitioner, presented the group with samples of each essential oil and many interesting facts about the use of oils. Tea, coffee and goodies were available throughout the afternoon. Sixteen WI Members and 15 other community members attended.
