

### Bruce County

The Bruce County Museum & Cultural Centre honoured some WI Members during a ceremony and reception in June. The museum's log home has been fully restored and was officially dedicated to the Women's Institutes of Bruce County to recognize its role in the establishment and ongoing support of the museum. Congratulations Bruce County WI! Pictured in front of the log house are Marilyn Reid - Bruce District WI President, Scott Saunders - Re/Max Land Exchange Ltd. Southampton, Gwen Gilbert - Museum Committee Chair, Karen Stewart - T.A. Stewart & Son Contracting, Gunne Weber - Bruce County WI.

### Grey South District

Those who attended Grey South District's ROSE Session in June were treated to a variety of great topics. Guests learned about the risks of identity theft and fraud from an OPP officer, enjoyed an entertaining presentation from a joyologist, and ended the day with a very informative talk from financial consultant, Michael Tourond, on wills and estate planning. Michael told guests the shocking statistic that 50% of adult Canadians do not have a will! Congratulations Grey South District on a fantastic ROSE Session!
