

ALL FOR A GOOD CAUSE

Lorne Sutherland WI

Lorne Sutherland WI (Carlton District) has donated \$2,000 to the Partners in Caring Campaign at the Arnprior & District Hospital. President Jacky Connell presented the cheque to campaign representative, Mary Campbell. In the picture L-R is Agnes Brydges, Joyce Headrick, Helen Dean, Gwein Steinke, Linda Herrick, Suzanne Morris, Ola Armstrong. Front Row L-R is Debbie Caldwell, Polly McColl, Carol Lacroix, Ina Mills, Jacky Connell, Mary Campbell and Berna McClure. Missing from the photo: Helen MacHardy, Terry MacHardy, Pat Herrick, Mary Carss, Andrea Dickson and Helen MacHardy...yes, there are two Helen MacHardy's).

Union Street WI

Union Street WI (York North District) ladies worked on Christmas cards for the troops this past fall. Cards went to the Royal Canadian Legion in Mount Albert and were included in gift boxes sent at Christmas. Pictured here are Laurine Kellington, and Evelyn Stickwood.

West End WI

As a Branch fundraiser, one West End WI (Wellington-Halton District) Member invited her Branch to lunch before the regular meeting. Sixteen Members and guests paid \$5 each for their meal and the total was sent as a donation

to the Canada Area ACWW Project. As the program for the meeting, the ladies learned about the DMI Project in India. They viewed some excellent photos of the orphanage in Nagapattinam – pictures of the children's dining room and dormitory, also the small water buckets they use for their daily bath and the shelves with a small suitcase each for their personal belongings. Thanks to Leila Pettigrew (International Officer) for loaning us the photos and to Barbara Sheardown, FWIC Executive Director, for information sent. It was a pleasant day for a good cause.

Maple Ridge WI

A "mystery" panel fielded questions from Members of Maple Ridge WI (Lennox-Addington District) about Alternative Energy at their monthly meeting this past fall. The panel, pictured here, consisted of Mrs. Solar Panel (Marg Winter), Mr. Wind Turbine (Linda Ball), and Mrs. Recycle (Fran Pringle).
