

# ALL FOR A GOOD CAUSE

## Victoria II WI

Members of the Victoria II WI have been collecting toiletries and other essentials for several months, donating the items to a local shelter called Interval House in Napanee. Pictured here are L-R Denise Wright, President; Linda Williams; Donna Jackson; Lesli Schonberg, House Supervisor; Elizabeth Adams; Jocelyn Lemmon; Heather Booth; and Valerie Smith. The photo was taken by Lorraine Martin.

## Tec-We WI

The Tec-We-Gwill Women's Institute continued its support for Camp Quality this year, raising \$11,000 with the Tec-We-Gwill WI Camp Quality Walk. The money will be used to help send children with cancer to Camp Quality, which is located near Flesherton. At front, Camp Quality volunteer Gordie Watson was on hand to accept the cheque from WI Members Joan Drysdale and Western Region Board Director Donna Jebb with other Members participating in the walk.
