

Because they had exceeded their quota in the purchase of War Saving Stamps, on May 23rd, under the direction of Mrs. Kilborn, the pupils of this school went to Apsley and made a recording of music and recitations to be broadcast over C.H.E.X. Peterborough on June 12th.

The quilt begun last year was completed and the ladies of the school section came to a quilting held in the school on Saturday, June 17th. The children sold tickets on the quilt raising \$9.75 for the Junior Red Cross fund. On June 28th at the school picnic the lucky ticket was drawn by Glen Earnshaw and the quilt went to Miss Laura Ashenhurst, a former teacher in the school.
