

ORGANIZATIONS

Over the years many organizations have flourished and contributed greatly to the life of the church. Probably the oldest and certainly most hard-working is the Women's Guild. There is an active Junior Auxiliary open to all girls in the community. The Choir has fluctuated in size through the years, but we are seldom without helpers in this important work. Young people have had bursts of enthusiasm for group activity, with the Dew Drop In, the current group. Sunday School too varies in size but there is always a group busy in the Hall each Sunday morning. A small but dedicated group of ladies serve in the Altar Guild.
