

Doug Lambie, associate agricultural representative explains a point regarding Canfarm with David Reid, RR 2, Renfrew. Farmers looking for a better record-keeping system for income tax and farm management purposes should contact the Agriculture office for more information on Canfarm.

1973

Jack Campbell of RR 2, Renfrew is one of four farmers in Renfrew County growing Fredrick winter wheat this year. This new variety is yielding well in the area, outyielding Yorkstan, Gencsee and Talbot varieties in several 1973 sites across the province. Fredrick has been acclaimed for its good lodging resistance and excellent winter hardiness.
