

Larry Maney, Soil and Crop Specialist, congratulates Bob Stuart and makes the presentation of the T Eaton Trophy awarded to the exhibitor showing the Grand Champion exhibit at the Renfrew County Seed Fair held recently at Opeongo High School.

Bob Stuart top seed fair exhibitor in '74

Use the manual

Most farm equipment manufacturers make safety a priority item when designing new equipment. Read the operator's manual thoroughly before using a new machine for the first time. You need this information to operate the equipment efficiently and safely. Make sure that everyone using the machine is familiar with procedures outlined in the operator's manual.
