

White School Institute celebrates 75th Anniversary before disbanding. After 75 years of service to the community the White School W.I. is disbanding due to an aging membership and an inability to fill executive positions. To illustrate the point the Secretary Mrs. McVittie points out that she has served in her position for 14 years. Executive positions are usually 3 years and not more than six. When Bruce Centre district was formed as a breakaway from Bruce East 40 years ago we had 14 branches. At present we are down to nine.
