

# Women's Institute annual convention

Our World, our future is the theme of the 33rd annual convention of Grey-Bruce Area Women's Institute to be held in the Ayton Community complex on Thursday, Oct. 3. Delegates from 100 branches will receive reports of the society's work during the past year. Many branches conducted recycling programs and each of the 1,651 members in the two counties was asked to plant a tree to help the environment.

Workshops are planned this fall on home decor. Training days for these are being held on Oct. 29 in Tiverton Town Hall, on Oct. 30 in

Hanover Presbyterian Church and on Nov. 12 in the Hepworth United Church.

The evening banquet speaker is Ross Proctor from Brussels. A farmer in that area, Mr. Proctor has considerable insight into the economic problems of today's rural communities and will speak in the theme of the convention.

Provincial president Peggy Knapp will bring members news of the provincial organization. Reports of the FWIC convention in Victoria and the Associated Country Women's Conference in Kansas will be included in the program.
