

This Mary Stewart Collect was printed in Rhodesia as a fund raising project. When Ontario were asked to help at the Oslo, Norway, A.C.W.W. Conference in 1971, they volunteered to take 1000 copies. These were first available at the Semi annual spring board of Directors meeting, and the Officer's Conference the following week. They retailed at 35¢ a print, 1972.

Donated by Mrs Harvey Houston, the Tweedsmuir History Curator for 1970-72.
