

Fun Day Held At Silver Lake

The Bruce South District of the Women's Institute held a Fun Day at Silver Lake United Church Camp at Kinloss on Wednesday, June 11.

The event was to celebrate the Women's International year 1975.

A good representation from the branches sat down to a delicious smorgasbord dinner at noon. Following the meal and social hour, Mrs. David Ireland of Teeswater, the District President, was chair-lady for a variety program which began with a sing song, followed by solos, skits, readings and contests. Mrs. Ireland, in her remarks, told a funny story and members now know there is Irish in Ireland.

Following the program the group went out on the beautiful grounds for games and relay races which ranged from "Kick the Slipper" to "Milking the Cow" ending with a Tug of War. This is usually a game for the strong men, but the women showed their power of strength on the rope. All in all, it made a most enjoyable Fun Day and it is hoped the District can come up with similar get-togethers of the branches in the years to come.

The committee deserving credit for the well planned gathering was from Holyrood, Teeswater and Kairshea branches of the district.

Skit-WANTED: A WIFE
BY Silver Lake W. I.

Mrs Nelson Eskrick

Skit- Mrs. Ray Walden; Mrs. Wib Emmerton; Mrs. Jack Elliott, Reid's Corners W. I.
