

It was in the early 1960's that Armow Women's Institute had a high light summer when we held a field day usually July or August. Several ball teams came and competed with Armow ball team. We also had decorated bicycles, rides, Hot dog stands and games, but these boys became men and we lost our ball team and field day.

Later in that decade we sponsored a spring tea and bazaar and ladies came from other branches, and we had a social afternoon. We had one especially designed for our Centennial project. We had a tour to Douglas Point Nuclear station and we were shown around by a guide, and each summer we have a bus trip to various points of interest in this part of Ontario.

We have had different demonstrations which resulted in new crafts in our community--also hair stylists. During those years we have had bake sales, picnics, pot luck suppers.

But we have a special project and that is 4-H clubs, we have been fortunate in having very capable leaders, and at times they have very large classes. During that time our presidents have been:

## PRESIDENTS

Mrs Ted Jacobs,  
Mrs Robt. L. Scott  
Mrs R. McConnell  
Mrs Wm. Eskrick  
Mrs Nelson Eskrick,  
Mrs Ronald Slade

## SECRETARIES TREASURERS

Mrs Featherstone,  
Mrs G. Ibbotson  
Mrs A. Scott  
Mrs W. Eskrick

Most of these ladies then were the District Directors.

Contributed by Mrs Wm. Eskrick.
