

Southampton was the square dance capital of Canada (if not the world) this past weekend, when approximately 700 dancers arrived in town for Jamboree 87. The dancers represented 200 clubs from across Ontario, Quebec and even as far away as Arizona, Florida, Ohio, Missouri and New York State. The three-day affair featured clogging, modern square dancing, round dancing, workshops and demonstrations. Three dance floors in the Coliseum and Annex 2 were in use, and six callers, including Les Greenwood of Parkhill (right), were kept very busy indeed. Even power outages during Sunday evening's thunderstorm couldn't prevent dancers from enjoying one last swirl at the Trail Out Dance before saying so long till next time to friends. Lorne and Cecille Lockrey, organizers of the event, commented that friendship and fellowship among the dancers was just as important as the actual square dancing.

Saugeen Memorial names administrator

The Saugeen Memorial Hospital has announced the hiring of a new administrator.

Carl Crymble, 52, a member of the Canadian Armed Forces, will assume his new duties on April 5.

Current administrator John Higgins, who has held the position for 19 years, will retire in March.

Chairman of the board of governors, Irene Howe, made the announcement last week.

Crymble will be leaving his post as director of the National Defence Medical Centre in Ottawa. He previously was administrator of the Canadian Forces Hospital in Lahr, West Germany.

Crymble joined the Armed Services in 1950 as a navigator and then joined the medical division of the services in 1972.

Thirty-five applications for the position were received by the board.

The Southampton Hospital X-Ray Fund is \$490 richer this week as a result of a fund-raising event held on July 3. The idea was conceived when Elaine Brown and Maxine Houle were reminiscing about the old days and discovered that several others enjoyed their fair pastime - roller skating. On Friday, July 3, about 160 people came out to the Southampton Coliseum to once again enjoy roller skating with great tunes by Steve Chapman, while others just enjoyed watching from the lounge. Many thanks to Steve Chapman, DJ, Ted and Hardy at the aren, Steve Pette, Rob Houle, Lizbo and the many other friends who participated. Pictured are Margaret Closs, of Saugeen's X-Ray Department, Elaine Brown, Maxine Houle and Heather Tennant, X-Ray Technician.
