

The Burnstown Women's Institute celebrated its 90th anniversary recently. Above, a tasty marking of the occasion was cut by lifetimes members, left to right, Jessie Fraser, Jean Denniston and Adele McLeod. At right, Adele stands beside a quilt she made, comprised of pieces even older than the club. The quilt will be shown at this year's Ottawa Exhibition.

This Branch presented Commemorative Service Pins to seven of their members - Jessie Fraser, Diane McKinnon, Irene Robillard, Betty Comba, Norma Rcopelle, Helen Jones and Netta Wyatt - whose years of service totaled 235. The celebration included a skit entitled "Planning for Programs for 2011" performed by Netta Wyatt (far left), Irene Robillard (centre left), Betty Comba (centre right) and Diane McKinnon (right). These ladies have an eye to the future!
